		Questions under the Govt. Buildings Act, 1899.	
1.	O.No.4852/39 14/6/1941	Sections 3 and 4 whether the proposed amendment at the Bombay City Municipal Act, 1888, which in effect relates to the erection maintainance of park of Buildings will apply to Building specified in S.3.	1-2

V.V.
24/4/56.

Office of the P.L.A.

Section 3 of Government Buildings Act, 1899, provides inter alia that nothing in any law or enactment for the time being in force to regulate the erection, re-erection, construction, alteration and maintenance of buildings within the limits of a municipality shall apply to any building used or required for any public service or any public purpose which is the property or in the occupation of the Crown. Consequently the proposed amendment of the Bombay City Municipal Act, 1888, which in effect relates to the erection, re-erection and maintenance of parts of buildings (such as roof gutters, fixed ladder etc) will not apply to buildings specified in section 3 abovesaid (cf. the Advocate General's opinion No.15 dated 22nd February 1928, quoted in Government Resolution, General Department No. 2295 dated 22nd May 1928). But if Government does not comply with the amended section, it would be open to the Municipality to bring the fact to the notice of Government by way of suggestions or objections under section 4 of the Government Buildings Act, 1899.
